SOLUTIONS FOR EDUCATION

A proven long-established provider of communications solutions, in education for over 23 years. Panasonic communications solutions have a great range of features and applications that enable you to implement enhanced parent to teacher solutions. Panasonic communications solutions have been designed with connectivity to third-party applications such as Microsoft office, database applications, and more to interface with your contact solutions. Take advantage of a wise investment with Panasonic Unified Communications Solutions for your school and see the benefits.

▶ PANASONIC: AN IMPORTANT SOLUTION PROVIDER IN THE MARKET

Panasonic Unified Communication solutions come with an exciting array of integrated intelligent features and applications specifically designed to enhance communications and information to parents and teachers alike.

Panasonic provides solutions for:

- Single schools and education buildings.
- Multi-site colleges and universities.
- Travelling teachers and lecturers.

With the Panasonic Solution for Education – it's easy to setup and manage advanced call handling solutions for all calls arriving from parents. Staff can be part of the contact team wherever they might be, in the classroom, in the staffroom or with pupils.

Improving communications with your community is the key to success, and Panasonic Unified Communications is designed to do just that, and much more.

With solutions for dedicated call operators through to advanced video door entry, Panasonic solutions have the tools you need to stay in touch.

▶ NEVER MISS A CALL

Built-in auto attendant makes sure that callers are never kept waiting during a busy period. Auto attendant provides parents with easy to use voice response to guide them directly to the required member of staff, wherever they may be, saving time and money and allowing other staff to focus on teaching at the premises. For the extra busy and out-of-office periods, individual voicemail for all staff ensures all early or late callers can leave appropriate messages.

EVERYTHING MATTERS

▶ **SAVE MONEY AND REDUCE COSTS**

Looking to replace an existing solution?

Panasonic systems work with a wide range of IP and digital handset devices, and support migration for 4 generations of handsets, including basic industry standard analogue.

Panasonic solutions are very efficient in power consumption, reducing running costs by 54% less than previous generations of products.

▶ **STAY IN TOUCH**

Mobile phones are an essential communication tool, ensuring that staff never miss calls. Panasonic solutions allow all calls to be handled from your desk or mobile phone with no need to publish teachers personal telephone numbers.

Need mobility in the office without using a mobile phone? Panasonic offers a range of DECT wireless handsets that are ideal for use in the corridor to the playing field, again keeping just one number for immediate access for all staff and parents alike.

▶ **REAL-TIME PRESENCE INFORMATION**

Provide you staff with real-time information about the availability of other members using applications designed for desktop PC's operator consoles, and mobile devices.

▶ **PREMISES MANAGEMENT**

Panasonic also provides a wide range of security solutions products including static and dome cameras, through to digital recording solutions, ideal for monitoring visitors during the day and intruders during out of school hours.
